Our cottages are centrally located to several wedding venues, offering just the kind of stay any family would need before and after a wedding. We are also on the brim of one of the most popular cycling routes in the Cradle area, allowing dad a good workout over the weekend, while mom and kids can relax at our beautiful swimming pool.

Misty Morn has five fully equipped, spacious cottages, existing of a small to medium size kitchen, living area with either a bunk bed or sleeper couch, a main bedroom and bathroom. Our bathrooms are all fitted with a bath as well as a shower, with the exemption of one with a luxurious double shower. Our self-catering accommodation offers guests a comfortable pleasant stay away from home. Guests can wander to the top of the hill behind the premises; and with a glass of wine in hand enjoy the picturesque view of the greater Johannesburg.
